- Harvested September, 2019
- Estate grown in our creek side vineyard
- Fermented in stainless steel
- Bottled March 30, 2020
- Alc. 13.0%

2019 West Sauvignon Blanc is a fresh and crisp wine with aromas of green melon, gooseberry, and pear which continue on the palate in addition to citrus and mineral tones showing a well-balanced acidity. You can pair this wine with fresh salads, fish, and seafood or just sip it by itself on a warm summer day.

West Wines is a family owned winery in Dry Creek Valley, Sonoma County. We started growing grapes 1998 and continued into winemaking where we favor a French style. We sell directly to consumers in the US and have been exporting to Europe since 2004. We believe in responsible agricultural practices such as minimizing the use of energy and water and using solar power. We use cover crops between our vine rows to create nutrition for the plants but also flowers who serve as a habitat for beneficial insects for pest control.

Katarina Bonde and Bengt Akerlind are owners of West Wines and Katarina is the winemaker together with consulting winemaker Phyllis Zouzounis. Phyllis began her winemaking career at Dry Creek Vineyards in 1980 and has been the winemaker at many prestigious wineries in Sonoma County. Katarina got her Winemaker's Certificate from UC Davis and hands on experience making wines at West Wines.
